### OFFICE OF THE STATE ENTOMOLOGIST

No. 50

Urbana, Illinois, September 7th, 1916.

This is to certify that the growing nursery stock and premises of E. L. McJilton situated at Mount Carmel, Illinois, have been inspected by E. W. Stafford, a duly appointed inspector of this office, according to the provisions of an Act to prevent the introduction and spread in Illinois of the San Jose scale and other dangerous insects and contagious diseases of fruits, in force, as amended July 1, 1909, and that said nursery and premises are apparently free from the San Jose scale and other dangerous insects and dangerous plant diseases.

This certificate applies only to the condition of this nursery for the year ending August 4, 1917.

P. A. GLENN, Chief Inspector.

S. A. FORBES, State Entomologist.
